

May 2025

Prez Sez

By: Ernie Zack

Winter seemed a little too long, then spring was even longer, packed with a couple of ice storms, one which now is in the record books. We will talk about that ice storm for many years. Slowly we are getting back to normal. Many of our neighbors are finally back to our beautiful Wildwood Lake.

I look forward to seeing all of you at our annual meeting on Sunday May 25th.

A few updates for everyone:

- The fishing contest runs Labor Day September 2, 2024, to Sunday August 31st at noon.

- Our 4th of July Boat Parade on July 5th, will include a Kayak race.
- The Golf outing will be at our local Wildwood course on July 19th
- Pontoon Poker is on August 9th and could use a couple more host homes.

Be sure to keep an eye on our website at www.wildwoodlake.info and on Facebook page at: Facebook.com/groups/wvpoac.

Also, the 2025 calendar of "Lake happenings" is attached along with our membership application and raffle ticket information.

See you on the Lake!

Ernie

WATER SAFETY

A reminder that now is a great time to get your boating certificate. Boaters born after June 30, 1996, and personal watercraft operators born after Dec. 31, 1978, who operate a vessel in Michigan must have a boating safety certificate.

Register for a traditional classroom, interactive or online boater safety education course at Michigan.gov/RecreationalSafety (hunter education offerings are also available at this link).

LAKE FRIENDLY LAWN CARE

If you must fertilize, be lake-friendly. One way to stop the transfer of damaging phosphorus into the lake is to stop the sources of it, such as using lake-friendly fertilizer that does not contain phosphorous.

The three numbers in fertilizer bags show the N-P-K nutrient analysis. The middle number is the phosphate (phosphorus) content. A "zero" in the middle means it is phosphorous free (more lake-friendly).

Yard waste can contribute significant amounts of phosphorous to waterways. Keep soil, leaves and lawn clippings out of the lake. Minimize soil erosion and clean your septic tank.

Help keep our lake clean and beautiful!
